ADVANCEMENT

MERIT BADGES

Use the table on the next page for Scouts to select which merit badges they would like to work toward during their week at Many Point. Merit Badges that have green boxes overlap across multiple merit badge sessions.

Swim Lessons is not a merit badge, but is very beneficial for Scouts that want to improve their swimming ability.

BSA Lifeguard is a certification that can be taken by adult leaders as well. BSA Lifeguard will be hosted at the Ten Chiefs beach during Sessions 1 & 2 merit badge slots for all participants.

First Class Adventure works toward many of the requirements in Tenderfoot, Second Class, and First Class. For a complete list of requirements worked towards, please visit www.manypoint.org/Program/Merit-Badges

MERIT BADGE PRE-REQUISITES

Some merit badges have requirements that need to be completed before coming to camp. Please review the MB pre-requisites form on the Many Point website for that work. On this form are the additional charges that may be incurred by taking a specific merit badge, as well as any special items the Scouts may need to bring with them to camp. Many Point has ranked the difficulty of these badges.

OLDER SCOUT PROGRAMS AND MERIT BADGES

Scouts registered in older Scout programs may miss a day or two merit badges. They can make up missed requirements during free time or in-site unit time.

Scouts accepted into Tier 2 older Scout programs will not be able to participate in any of the Merit Badge sessions.

AGE/GRADE REQUIREMENTS

To help manage class sizes, we've added a grade requirement to certain classes.

PROGRAM REGISTRATION

Merit Badge registration is done on-line through the Black Pug Scouting Event software.

Once your unit has a campsite reservation, you will be given access to our on-line system. Registrations should be made by your unit's camping coordinator. Parents and Scouts should give the camping coordinator their program requests. Scouts will get into every merit badge they request.

Head to www.ManyPoint.org to learn more about the process.

TROOP ADVANCEMENT

As we learned during our 2020 summer, units enjoyed doing merit badges together and due to this, they are available for 2023. Badges will take around 4 hours to complete.

INDEPENDENT STUDY MERIT BADGES

Some badges can be worked on outside of the standard merit badge time. Scouts are required to meet a minimum of twice during the week with a merit badge counselor. The Scout receives a document with the tasks necessary to earn the badge independently. Merit badge counselors are available by appointment. All requirements are due before lunch on Friday.
