

Alternate Arrival Request

Saturday Arrival Request / Monday Arrival Notification

Many Point's regular program week begins at 1:00pm on Sunday. In limited circumstances, early arrival on Saturday will be approved. Approved reasons include situations such as religious observances or extended travel required (over 300 miles).

This form must be submitted two weeks in advance for approval of a Saturday arrival request or to provide notification of a Monday arrival. A copy of this form noting the Camping Director's response of a Saturday arrival request will be returned to the unit.

In some cases, troops cannot arrive until Monday. Many Point will assist in helping the troop make a smooth transition into camp.
