

Many Point Scout Camp 2017 Work Party

June 2 - 4

Come help get Many Point Scout Camp ready for this coming summer camp season. Food, lodging, fellowship and a special recognition are provided. Both skilled and general labor is needed. It's fun!

Here are some of the types of projects that need to be done this year:

Carpentry

- Update support on remodeled latrines
- Build three new latrines
- Remodel bedrooms in Family Camp
- Replace deck boards at Movilla 4 & 5
- Replace deck on Administration Building
- Replace Family Camp lodge porch
- Replace Dining Hall siding
- Replace Admin Warehouse siding
- Relocate TC PFD shelter rack
- Huck Finn Framework Rebuild
- Finish Buckskin Nature Center Deck

Landscaping and Trail Projects

- Clear branches/limbs from around roofs
- Clear downed trees
- Cut back brush in campsites and roads
- Enlarge campsites
- Build retaining wall on Crockett Latrine
- Build retaining wall at Buck Handicrafts
- Begin clearing new Ten Chiefs campsite

Cleaning

- Remove old Ten Chiefs staff shower
- Remove old Tree House landing platforms
- Remove pressure tank near Cabin 21
- Remove old Wagon at Horse Overnight site
- Deep clean shower houses

Electrical

- Install T8 Lights in Shop
- Electrical Mailboxes in Voyageur Lodge
- Install ventilation in Storm Shelters

Painting

- Stain new latrines
- Stain Family Camp cabins
- Replace Administration Building Trim
- Stain fence posts and rails
- Stain Movilla 1 & 2
- Stain KD shelters in Buckskin

Roofing

- Replace Buckskin Beach house Roof
- Replace Voyageur Beach house Roof
- Replace Family Camp Cabin Roofs

Other

- Rotate or remake tomahawk targets
- Catholic chapel improvements
- Replace wood lodge restroom sinks
- Re-screen Buckskin Central Program
- Install mirrors in Family Camp cabins
- Spread wood chips
- Install protective carpeting on dry docks

...the list continues for several pages.
