Scouts can only do one Tier 3 program each week. Scouts will likely get into two to three Tier 1 & 2 programs each week, depending on number of Scouts in camp

If required age is a specific number, this means an outside organization (PADI, ASI, Red Cross) mandates a specific age

Hybrid: Camp Coordinator requests these programs through SCMS from April 1-14. Scouts will be prioritized by age then rank. After April 15, registration becomes 1st come, 1st served until full

Lottery: Camp Coordinator requests these programs through SCMS from April 1 - Friday before their camp week. Scouts will received their program schedule upon arrival to camp

*The fee for the "All Things" programs replace the standard camp fee for your Scout
