LETTER FROM THE CAMPING DIRECTOR

Greetings from Many Point Scout Camp!

For the last 79 years, Many Point has been one of the nation's premiere experiences for scouts not only from our council but from all over the nation! Scouts who come to Many Point will participate in some of the traditional activities of the 1940's like swimming, canoeing, rowing, orienteering, lashing, and shooting. However, they will also have an opportunity to participate in some of the more recent innovations. We have a huge fleet of Sunfish sailboats, six climbing towers, ATV training programs, several 25' aqua trampolines, two Huck Finn rafts, Jet Skis, kayaks, and two tree house villages.

Many Point was the first camp in the nation where Scouts attended camp as troops, not as individuals. Today, we continue to emphasize the growth of the entire troop as our chief objective. Our staff is trained and dedicated to the mission and ideals of Scouting. Come to Many Point this summer and you'll leave as a stronger troop of confident and capable young leaders.

This year, Many Point has decided to focus heavily on STEM based activities. Coming to Flintlock you will have Robotics Outpost and All Things STEM. We will also be offering Automotive Maintenance, Pulp and Paper, Textiles, and Sustainability Merit Badge! These are just a few of the exciting new programs that will be coming to Many Point in 2025.

We will also be adding some new logistical things such as Solar CPAP battery rentals, snack packs, the return of the Red Lantern Brigade, a new way to sign up for programs, and finally an online pre-order trading post!

If you have any questions about Many Point please feel free to contact us by phone at 612-261-2465 or by email at ManyPoint@northernstar.org We look forward to seeing you and your unit this summer at Many Point Scout Camp!

OFF-SEASON PREPARATIONS

EVERYTHING YOUR UNIT MUST PROVIDE

The Camp Coordinator should double check that leadership, health forms, and all permission and release forms are coordinated.

HEALTH FORMS

All participants must provide a Health Form. Anyone at camp for 72 hours or more will need to have Part C of the health form completed. Anyone at camp, regardless of the length of the stay, need to have completed Parts A and B.

HOW LONG ARE HEALTH FORMS GOOD FOR?

Health forms are valid through the end of the 12th month from the date it was administered by your medical provider. For example, a physical administered December 3, 2024, would be valid until December 31, 2025.

WHERE TO GET A CAMP PHYSICAL?

Check with your primary medical provider about setting up a physical for camp. Other quick clinics such as Minute Clinic and Walgreens Health Services also provide services for Camp Physicals. Be sure to bring the proper Long Term BSA Health and Medical Record for them to fill out.

We understand this can create a hardship for some families. Every Spring, Northern Star offers a Free Physical Day at Base Camp in Fort Snelling, MN. Check the Many Point website for more information. www.manypoint.org/Article/health-services

MEDICATIONS

All non-emergency medications that need to be taken by any Scout at camp must be administered by a designated adult leader. This must be a leader in the unit. Emergency medication like an inhaler or Epi-Pen should be with a camper at all times. We can store most medications that need refrigeration.

Medications must be in their original container with the camper's name, the name of the medication, dose, and frequency. Please send a supply for 8 days, not the whole bottle.

Medications must be stored in a secure area and out of reach of Scouts. If you do not have a way to secure medications in the campsite, We can provide you a lock box if your unit does not have one.

ADULT SUPERVISION

- Two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. A registered female adult leader 21 years of age or over must be present for any activity involving female youth.
- All adults who are spending the night, must be registered as leaders.
- All adults must have completed Youth Protection training

Leadership in camp will not be a problem if you approach it early. Sources of leadership include your Scoutmaster, unit committee members, parents, and members of your sponsoring institution. If you are having problems, now is the time to contact your District Executive.

Each has 12-14 unit campsites and have a similar schedules and amenities. **Flintlock** is Many Point's Older Scout Adventure Base where all our Older Scout Programs like Water Sports Outpost and our Treehouses are based out of. Buckskin operates a Dining Hall; all three meals are cooked by our kitchen staff. Scouts utilize the patrol method by taking on roles like "server" and "after meal clean up."

Ten Chiefs & Voyageur have all three meals delivered in pre-portioned crates for your Scouts to cook. Since these Scouts are cooking all three meals in campsite, our food team sweetens the menu with dinner meals like pork chops during the week.

"OUR UNIT ROTATES BETWEEN THESE THREE SUBCAMPS TO GIVE OUR SCOUTS A DIFFERENT EXPERIENCE EACH YEAR. SOME SCOUTS LIKE THE DINING HALL, SOME SCOUTS PREFER COOKING."

Starting at noon on Saturday at the end of your week at camp, anyone can book any open site for your week at camp for 2026.

COMMITMENTS AND REGISTRATION

COMMUNICATE MERIT BADGE OPPORTUNITIES

Many Point has 54 Merit Badges and Advancement Opportunities!

Many of our merit badges are designed to be offered in Buckskin, Ten Chiefs, and Voyageur. However, some of Many Point's merit badges are offered only through older Scout programs or independent studies. Head to www.ManyPoint.org/Program/Merit-Badges to see a complete list.

Pass / Partial / Pre-work

Many Point provides a list of our merit badges, and perceived difficulty, which requirements will take additional time while at camp (outside the scheduled time), and which ones have requirements that need to be done ahead of time. Make sure Scouts review the pre-requisites on our resources page. Most unit leaders email the link above and encourage Scouts to review the pre-requisites form.

Handling Flintlock Older Scout Adventure Base and Merit Badges:

How do Scouts sign up?

Scouts sign up for Merit Badges and Flintlock activities through the Scouting Event registration. Simply select the Scout on the registration, click the "Update Information" button, and select their classes. See the Scouting Event How-To page for more information.

Capacities and Age Requirements.

Many Point has capacities on merit badge classes as well as recommended ages for some classes. These both help us to keep class sizes to a manageable level. While we won't "ID" a Scout, we ask that your unit abide by the age recommendations.

REGISTER FOR UNIT ACTIVITIES

To sign up for unit activities, the unit coordinator will go to manypoint.org/Program/Unit-Activities. From there, click the "Submit your Unit Activity Interests" button. This will need to be completed at least two weeks before your visit to camp., Check out our list of available activities in the Program Catalog.

YOUTH DEPOSITS DUE APRIL 15

Many Point requires a count of the total number of youth attending from your unit. Please keep us informed as Scouts are added or removed from your anticipated number. These numbers are utilized by Many Point when working with vendors for bulk purchasing. Consequently, the \$50 deposit is non-refundable and non-transferable.

SCOUTS WHO CAN'T ATTEND WITH YOUR UNIT CAN STILL COME TO CAMP!

Many Point operates an "All-Star" program for Scouts that can't attend with their unit or would like to go an additional week. Many Point provides the adult leadership, and the conglomerate of individual Scouts form a unit for the week. Learn more at www.ManyPoint.org/All-Star.

SCOUTS BECOME CAMP STAFF THROUGH MANY POINT'S COUNSELOR IN TRAINING PROGRAM!

Many Point offers a Counselor in Training (CIT) program that runs for five weeks. We're very proud of our average staff retention of 5 years (top in the industry) and it all begins with our CIT program. CITs spend five weeks living and working among our staff, which gives them the chance to learn necessary life skills, get supervised practice, and have a lot of fun. Learn more in the program catalog and online.

SWIM CLASSIFICATION PROCEDURES

Swim Tests at Many Point

75% of units do their swim qualifications upon arrival to Many Point. This works great. Here are a few tips that will help your arrival day go smoothly:

1. Have your Scouts intentionally pack swimsuit and towel in an easily accessible location.
2. Head down to the beach right after parking in your campsite to beat the rush. The busy times at swim qualifications are from 3pm – 5pm.
 - a. Many Point has changing rooms at the beach, which makes changing a breeze!

Units may conduct their own test before camp

The swim classification of individuals participating in a Scouting America activity is a key element in Safe Swim Defense and Safety Afloat. The swim classification tests should be renewed annually, preferably at the beginning of each outdoor season. Traditionally, the swim classification test has only been conducted at a long-term summer camp. However, there is no restriction that this be the only place the test is conducted. In fact, we recommend to conduct the swim classification prior to attending summer camp.

All persons participating in BSA aquatics are classified according to their swimming ability. The classification tests and test procedures have been developed and structured to demonstrate a skill level consistent with the circumstances in which the individual will be in the water. The Swimmer's Test demonstrates the minimum level of swimming ability for recreational and instructional activity in a confined body of water with a maximum 12-foot depth, and with shallow water footing or a pool or pier edge always within 25 feet of the swimmer.

CONDUCTING YOUR OWN SWIM TESTS

(at the unit level with council approved aquatics resources)

The swim classification test done at a unit level should be conducted by a person with one of the following council-approved certifications: Aquatics Instructor, BSA; Aquatics Supervisor, certified lifeguard, swimming instructor; or swim coach. When the unit goes to a summer camp, each individual will be issued a buddy tag under the direction of the Camp Aquatics Director for use at the camp. Northern Star Scouting requires that swim classification tests be conducted within three months prior to the unit's arrival at camp. The signed form must be presented upon arrival in camp.

Special Note:

For the safety of each participant, staff shall at all times reserve the authority to review or retest individuals or entire units at any point throughout the week.

SWIMMER'S TEST:

Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: side stroke, breast stroke, trudgen, or crawl. Then swim 25 yards using an easy resting back stroke. The 100 yards must be swam continuously and include at least one sharp turn. After completing the swim, rest by floating.

BEGINNERS TEST:

Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

CAMPING WITH WILDLIFE

Many Point is home to many different animals native to the Midwest region. Raccoons, gophers, squirrels, bears, coyotes, turtles, and many others are commonly seen all throughout the summer. They all enrich the outdoor camping experience and will create memories of your week at Many Point. However, they are all wild animals. For your and their protection, we require adherence to our wildlife policies. It is mandatory that all troops, crews, visitors, and staff read and follow the information in the Black Bear Education Manual. It provides information on campsite precautions when camping with wildlife, how to act in an encounter with wildlife, and ways to ensure you have a safe week at camp.

BEARS

Seeing a bear at camp can be very exciting, and it's important to be prepared for this encounter. Please review the information on bears in the Black Bear Manual.

The training in the Black Bear Manual is mandatory. Groups will not be allowed past check-in until we have received a signed copy stating that you have completed the training.

Many Point provides a "Bear Box" in each campsite for units to store smell-ables. Please note that while they will keep the large critters out, the "Bear Boxes" will not always keep the small critters, such as mice and insects, out.

TICKS

The forests of Many Point are home to many animals including Ticks. It's important to know how to camp in areas that have ticks, as ticks are known carriers of various diseases. Make sure to review the Tick Borne Illness page, found on the Many Point website, with your Unit.

MOSQUITOES

Wetlands and other bodies of water, which are a breeding ground for Mosquitoes, surround Many Point. Many Point does treat the areas of camp, but we would encourage units to bring mosquito netting as well as bug spray.

OTHER ANIMALS

It's important to remember to Respect Wildlife, a key point in Leave no Trace. When you see an animal in the wild, do not chase after them, feed them, or try to lure them. This is for their safety as well as your own. It's important to remember you may be up for a week, but Many Point is home to these animals year round.

Scan the QR code above to see the Bear Manual for Northern Star Scouting or go to:

manypoint.org/Resources

Each site has a concrete "Bear Box" in each campsite for units to store smell-ables. Each one comes with two 18 gallon totes inside for you to store any items inside. It is recommended that each Scout brings a small plastic tote (approx. 6"x5"x9") to store personal hygiene items and snacks. "Bear Boxes" are not mouse-proof

TWO WEEKS PRIOR TO DEPARTURE

COLLECT PWC, ATV, & CAC RELEASE FORMS FOR SCOUTS PARTICIPATING IN THESE PROGRAMS!

Scouts participating in Water Sports Outpost need to have a signed Personal Water Craft (PWC) agreement before a Scout will be allowed to use a Jet Ski. Scouts that don't have this form can still participate in the program, they just won't be able to drive or ride a Jet Ski.

Scouts participating in the Character Adventure Challenge course need to have a signed release statement before they will be allowed to attend the program.

Scouts participating in Older Scout Adventure Blast or ATV Tier 1 need to have a signed All Terrain Vehicle (ATV) release waiver. Scouts can participate in Older Scout Adventure Blast without the slip, they just won't be able to participate in the ATV training course. Scouts also need to complete the American Safety Institute E-course before coming to camp.

Scouts participating in ATV Tier 2 will need to bring their ASI certification cards in addition to a signed ATV release waiver.

Access the E-course at: <https://cvt.svia.org/login/index.php>

Where can I find these forms?

www.ManyPoint.org/resources

Submitting the forms

Once you arrive at camp, Flintlock staff will collect these forms.

Many Point works directly with the Lodge and has your unit's names for call out ceremonies. We will confirm the names with you at camp.

Non-Northern Star Council units

Please contact your local OA Chapter and email the names you'd like called out to camp.

Lodge rules prohibit Many Point staff from conducting elections.

SEND THE PACKING LIST TO PARTICIPANTS

What should Scouts pack

A fully comprehensive packing list is available on www.ManyPoint.org/resources and at the end of this packet.

We are aware many units have created their own packing lists based on decades of experience. Please share with us so we can continue to spread the knowledge and help other units prepare!

THREE WEEKS PRIOR TO DEPARTURE

CAMP ROSTER

Please take time to review information in your online unit roster and make sure it is accurate. Camp is continuously checking numbers as we're preparing for your arrival. There is always room for more Scouts. Please do not turn any Scout away from camp, no matter how late the registration. We can even accept new Scouts not on your roster when you arrive.

PROGRAM SIGN UPS

Please take time to review submissions for all Scout programs. We encourage you to use the reports available through your Scouting Event registration to print reports to help your Scouts. The "Class Schedule" Report will give you one sheet per Scout showing what they are signed up for and when. It also lists any prerequisites or notes the badge or program. We recommend printing this report before you arrive at camp.

MERIT BADGE PRE-WORK

Scouts should examine the list of pre-requisites and out of class requirements for their merit badges before they arrive to camp.

FINALIZE SCOUTING EVENT INFORMATION

Many Point closes online adjustments on Friday at noon two weeks before your week at camp. To make changes after this time, please call camp at 612-261-2465 or email us at manypoint@northernstar.org

GATHER DIETARY RESTRICTIONS

We can provide substitutes or alternative menus for participants with one of the following dietary meal plans:

- Peanuts or nut allergies
- Gluten Allergies
- Lactose intolerance
- Pork restrictions
- Vegetarian Preference

It's important to note that all meals for all meal plans are produced in one kitchen, and our standard menus contains gluten and lactose; we cannot guarantee no cross contact. will occur.

What if my dietary restrictions are more complicated?

We are currently not able to provide alternative food for other or multiple restrictions. However, we will store and serve all food that is brought for participants who have additional dietary restrictions. Your fee will be discounted to compensate for providing your own food.

Bringing your own food?

If a unit wishes to bring its own food and cook it in their campsite, they may do so. A \$45 discount will be given to each full-week individual for this option, and those staying less than a week will be pro-rated accordingly. To bring and cook their own food, individuals should select the "no food service" registrant type when confirming their estimated attendance or adding people to the roster.

TWO WEEKS PRIOR TO DEPARTURE

COLLECT SHOOTING SPORTS PERMISSION FORMS

The state of MN requires all youth under age 18 have signed permission to use a firearm. It is the unit's responsibility to ensure youth that do not have a signed permission form don't participate in shotgun and rifle programs. This form can be found on the Many Point website.

COMPLETE MEAL COUNT SHEET

The meal count sheet is a form, available in this packet and on www.ManyPoint.org/resources, is the unit's way of communicating food quantities and how you would like the food divided amongst the patrols.

Meal Portion Explanation

Many Point takes pride in its food service and providing appropriate quantities of food. It all starts with our system of organizing food packs in groups of 6, 8, and 10.

Food products are ordered in packages that have appropriate servings for the 6, 8, 10 group sizes. For example, a patrol of 6 will get a 12 pack of eggs. A patrol of 10 will get a 20 pack of eggs for scrambled eggs. Many Point's processes minimize food handling and ensures safe, plentiful, and tasty food all week.

Another example. For a patrol of 14, request a crate for 8 and 6. What about a Patrol of 9? That works too – we'll send food for 10. You must make patrol sizes of 6, 8, or 10 people for food ordering purposes. If you want specific patrol groupings that equal more than the minimum number of meals, you will be charged for extra meals.

For example if you have a group of 27 and instead of 2 crates of 10 and 1 crate of 8, you would like 5 crates of 6, you would be charged for 3 extra people for every meal.

Utilizing the example on the website, please complete a meal count sheet communicating how much food to send for each meal, by Patrol. The food service team will use this number, and any number you communicate to us during your daily commissioner visit to determine final population counts for your unit's bill. If you need assistance filling out your meal count sheet please reach out.

Accuracy on this form is very important!

Changing Meal Count Sheets

Your Commissioner will be checking in with you each day to make sure you're getting enough and/or not too much food. You can communicate your food number changes through your camp Commissioner during their morning visit with your unit.

Submitting the form during check-in.

Administration staff will be collecting this upon your check in to camp.

COLLECT PAYMENT METHOD FROM TREASURER

Typically, incidental charges will occur throughout your camp week. These charges may accrue from program kits, trading post tabs, unit shotgun programs, etc. Collecting a unit check or credit card ahead of time saves your unit time in reimbursing an Adult Leader after your camp week.

Payments made from your unit account and EFT payments are not available for payment at camp.

If the unit plans to also pay for your 2026 reservation while you are at camp, you will need a separate check.

Itinerary

Summer Camp Coordinators have found it beneficial to notify parents of their children's safe arrival via social media or unit websites. The communication alleviates parental concerns and anxieties about their children's well-being while they are away at camp. Similarly, informing parents of their children's departure from camp can also be effectively communicated through these channels.

Dietary Confirmation

Re-confirm any dietary restrictions when the parent is present and before loading into vehicles.

Navigating to Camp

The check-in experience will be smoother if you enter through the main north entrance. Refer to the "Map to Many Point" for directions. Look for Many Point Loon signs guiding you to the north entrance.

Upon arrival, staff will greet you along the road and provide directions to your campsite. Use the "Map of Many Point" to locate your campsite.

Fueling up!

Gas stations near the camp are limited. Please ensure you fill up your tank before departing from town, as Many Point does not have the facilities to refill your tank.

What to expect on Monday through Friday

General Daily Schedule

In general, Breakfast is at 7:30am, Lunch is at 12:30, and Dinner is at 6:00pm. Morning merit badges are from 8:30 – 12:20, unit activities happen between 2:00pm and 4:50 pm, . Free time is from 7pm until 9pm. Review your sub-camp schedule for specific information. Your Commissioner will meet you in your campsite during the first merit badge session each day. During this meeting, you will give feedback on how your week is going, see if you'd like to make any changes to your schedule for the rest of the week, and be given reminders about upcoming events each day.

DAY OF ARRIVAL AT CAMP!

WELCOME TO CAMP!

1: When arriving to camp

2: Greetings!

Once you enter the Administration Building, a staff member will welcome you! At this time you will receive name tags, wristbands, and parking passes. Once you have received those, you will move to the next staff member and verify your unit's roster! Make sure you know who ended up coming to camp with you, as well as when anyone coming later in the week will be at camp.

3: Document Confirmation

At this station, you will meet with the Flintlock staff and Food Service Director. At this station, we will collect all waivers that haven't been turned in already as well as verify any and all dietary restrictions. You will also receive your menu binder.

Many Point is required to keep Part A of every Health Form.

SITE SWAP INTEREST?

Northern Star Council strategically provides unique experiences at both Many Point and Tomahawk. Units can partner with a unit from the other camp to "save your campsite and week" and be able to experience a different camp.

Please indicate on your feedback form if you'd like contact information on the other units that are also interested in swapping campsites. We will start sharing information about site swapping in the fall.
